

## SAVE THE DATE – JUNE 24<sup>TH</sup> – MIAMI

The Florida Wildlife Federation, Environmental Defense Fund, and the Florida Solar Energy Industries Association are pleased to invite you to join us for a conference discussion on

### **Policies for Achieving Energy Security, Job Creation and the Rapid Deployment of Renewable Energy**

**Tuesday, June 24<sup>th</sup>  
1pm – 8pm in Miami**

**Location:**

**Miami Beach Rod and Reel Club** ([www.therodandreelclub.com/clubhouse.htm](http://www.therodandreelclub.com/clubhouse.htm))  
208 South Hibiscus Island, Miami Beach, FL 33139, Phone: 305-531-1233

The Conference will bring together advocates and policy makers for the deployment of Renewable Energy in Florida. Participants from various stake holder organizations will discuss how government and state policies can be best crafted to stimulate vast investment in Renewable Energy generation, and manufacturing for the state's energy security and the creation of new high paying jobs for Florida. Building on Governor Charlie Crist's Climate Change Policies, this event will provide first hand experiences from other states and European countries.

Speakers will include leading environmental organizations, Florida and other state legislators, investors, renewable energy industry organizations, and leading energy companies.
