THROUGH THE DIVISIONAL OFFICER - MUNDE MBA  
✓ ✓ SENIOR DIVISIONAL OFFICER - NDIAN

TO THE GOVERNOR, SOUTH WEST REGION

Sir,

SUBJECT: PETITION AGAINST ILLEGAL DEMARCAION  
OF MASSAKA BIMA FOREST BY SITHE GLOBAL  
SUSTAINABLE OILS CAMEROON

The Massaka Bima Community have the honour  
and respect to table the above subject matter to  
your high offices.

Considering that the Massaka Community sacrificed  
part of their forest for the Kurup National Park

Considering that the Massaka Community has  
offered part of the remaining forest for the  
creation and management of the Mundemba Council  
forest.

Considering that, Massaka people have been  
ever sensitised on permanent forest management,  
(Council forest) by the regional delegation of  
forestry and wildlife.

We the Massaka people have very limited  
land left for local agriculture.

Considering the rapid growing rates of its  
population we do not have any patches of  
land, that can be occupied and used by SITHE  
GLOBAL SUSTAINABLE OILS CAMEROON, for their  
Plantation agriculture

We are totally against it, and we will be most grateful for your timely intervention.  
Thanks for your usual co-operation

The Massaka Bina People
